Coursework

GRADUATE
Data Structure and Algorithm
Programming with Python
Computer Network
Operating System
Statistical Learning
Mathematics Graph Curve Tracing.
Dissertation: Worked on the Mathematics Graph and with Curve Tracing and Deeply understand the Different type of the Mathematics curve and Analysis of the Chart. and Extract the valuable data from the Graph

Skills

PROGRAMMING
Python
C/C++
HTML/CSS
JavaScript
SQL

FRAMEWORKS TOOLS
Django | Sqlite3 | PostgreSQL
Flask
Pandas Framework
Git | BitBucket
Linux | jupyter | VScode | Postman

PRIMARY SKILLS
python • Django Framework• Pandas
• Microsoft Office • Aws(Ses) • Git

Honors

EXCELLENCE SCHOLARSHIP
Intermediate Class
Awarded to the SCHOLARSHIP for higher Education (Under Graduate Courses) getting good Grade in The Intermediate 9.4 cgpa.

Experience

SOFTWARE ENGINEER
SenRa Tech
📅 Aug 2022 Oct-2022   📍 Green Park, Delhi
- Using Python, Django Rest Framework and Linux created an ORM Model for interacting with Database.
- Responsible for creating a User Database Model. Also worked on Frontend(JavaScript) and created the Viewshed and Elevation with integration with Google Maps Api.

WEB DEVELOPMENT INTERN
Two Waits
📅 Jun 2021 – Aug 2021   📍 Remote
- Worked with a team for developers to create responsive websites. Got the chance to work. technologies like python Django, Sqlite3 etc.
- Got the chance to create a Models of the Database and sqlite3 connection with Django Python
- Worked with Postgres sql and S3 Services. and created a s3 Bucket.

Competitions

CISCO CODATHON
Cisco Codathon Competition
📅 Mar 2020 – May 2020
- I had participated in the Cisco Codathon Competition in which I have gone through the Pcap(Programming Essentials in Python) Course and Give assessment and Cleared the round and got Pcap Certificate.
-

Projects

MUSIC TIME ON
Graduation
📅 Aug 2021 – Oct 2021
MUSICTIMEON Created a platform for users to listen to their favorite songs. Users can also create a list of their favourite songs and singers that they like to listen to.and this is the Platform for the Music Lover who would like to listen a songs.

BEKAAR TO SWEEKAR WEB APP
Graduation
📅 Dec 2021 - Apr 2022
VYARTH BEKAAR-TO-SWEEKAR Created a waste disposal management website for collection and utilization of waste materials that can be used as raw materials in other industries. The aim of the project was to provide a better solution for waste management. Instead of dumping waste in open dumping grounds, this app proposes to transport waste to those who require it for useful purposes. Hence the "bekaar" is delivered to the industries who "sweekar" it.
